- 2:00 Adjourn

Notes:

- A laptop and projector will be provided
- Bring your flash/external drives for swapping data
- Next meeting will be hosted by the Bodega Marine Lab in late Fall

Directions

Choose your favorite way to get to Valley Ford. There are many that travel through the dairies and ranches of southwest Sonoma County, but most likely you'll end up on either Valley Ford Road coming from the Petaluma or Rohnert Park/Cotati areas, or Valley Ford Freestone Road coming from Santa Rosa, Sebastopol, and parts north and east. For those coming from Marin or the coast, Hwy 1 is your ticket into town.

School House Road is on the east end of town on the south side of Valley Ford Road (AKA Hwy 1). The School House is about 200 feet down the road on the left.

Attendees

Tom Robinson, Sonoma County Agricultural Preservation and Open Space District
